I am a 62 yrs old woman that was employed by The Leading Hotels of The World, Ltd. 485 Lexington Ave, Suite 401 New York, New York 10017 for 20 yrs.

I have a great track record for finishing targets and maximized collection.

I was terminated at a time when the company was ~~sales~~ hiring several new employees and also Temporary Workers.

I am pursuing this age discrimination charges, because looking back at my track record, it have left a bad taste in my mouth, knowing that it is a pattern for the company to terminate employees who are between a specific age group; then change the job title they were doing and hired younger individuals doing the same job. I speak highly of the department I was hired to work - Accounting Finance.

When I joined the company, I was assured of equal opportunity and growth. So far this assurance was never fulfilled. When I spoke about it I was penalized.

I feel I was been discriminated against because of my age, lesser inexperienced individuals were hired, with ~~managers~~ managerial titles and lesser experienced employees were promoted above me.

I was in the same position for the 20 yrs, though I had applied for other jobs in the department and outside of the department, but was denied. I invested the best part of my life in this company as one of the most recognized collection team (See Attached Copy) yet I wasn't rewarded as such.

The growth of our company then had opened new doors in China, which five new individuals were hired for a goal of fifty million dollars (\$50 million) for year 2020 therefore having my position terminated is quite not what was said. This hiring took place in July 2016.

During the 20 yrs I spent at the leading hotels of the world, Ltd. I have obtained a four years college degree. I also attended several job training courses off site, which I

not rewarded for. ③  
Discrimination in the work place

**Subject:** New Hires in New York Specialists on China Strategy

Dear Colleagues,

Please join me in welcoming five new employees who will join our team in New York City. The majority will start on today, Thursday, July 7 while others will start later. These colleagues will work on China-related projects with partners from our key functional disciplines in New York and China. This is a new program, which will develop over time, and these five individuals are uniquely qualified for this role given their deep knowledge of the China market, specifically tied to insights and work experience in the hotel market and with Chinese travelers. This program is anticipated to play a critical role in realizing LHW's China Strategy 2020.

Evidence of the Chinese market's growing value to LHW and its future potential can be seen in a quick look to recent numbers: in the last five years, LHW's revenue from China grew from \$1 million to \$10 million. Our goal for 2020 is \$50 million from this market. Simultaneously, the demand from Chinese outbound travelers for LHW member hotels has grown significantly, with Chinese luxury travelers rapidly increasing in number and sophistication. While LHW is well-positioned with its range and quality of member hotels in key locations outside of China, we must develop new capabilities and perspectives to better attract and serve Chinese luxury travelers. It is imperative for LHW to:

- Build out China-specific distribution and payment solutions for LHW and member hotels;
- Provide the know-how and customer insights to member hotels in terms of how to best serve Chinese travelers;
- Increase the number of member hotels in the right location with the right owners in China; and,
- Promote the LHW brand and history in China, clarifying our brand promise.

Our newly appointed Specialists, China Strategy are:

- **Hanxun (Hanson) Zhang**

Hanson was a summer intern for LHW Analytics & Reporting, working with Hakan in 2015. Born in Shanghai, China and a recent graduate of Cornell University, Hanson's past professional experiences include PwC, HLB International Hodgson Impey Cheng (an internationally acclaimed professional accounting and business advisory firm), and Banyan Tree Hotels & Resorts. An avid traveler, Hanson has visited more than 15 countries. He also enjoys cooking and tasting great wines. During Hanson's school years, he was a tenor in an acapella group.

- **Jialin (Elvin) Li**

Elvin was born in Tsingtao, Shandong province, China. He received his undergraduate degree in Applied Economics from University of Minnesota, Twin Cities, and his Master of Management in Hospitality from Cornell University. His professional work experiences include Horwath HTL in Tokyo, The Breakers Palm Beach, Qingjian Real Estate Group, and Macy's. Dear fantastic collection team,

I want to say a HUGE thank you to all of you for your assistance, in whatever way, in reducing substantially our outstanding accounts receivable from hotel members. During 2013 as team we were able to reduce the total accounts receivable from \$10,900,000 at the end of 2012 to \$7,550,000 as of the end of 2013. That is \$3,350,000. WOW!!!!!!!!!!!!!!

Thank you and please continue the great efforts. I really appreciate everyone's help.

Warm regards,

Dan
